Stellantis Returns to 2026 Cleveland Auto Show

Two All-new Stellantis vehicles will be on display for the first time at the Cleveland Auto Show

- All-new 2026 Jeep® Cherokee with hybrid engine offers more than 500-mile range
- All-new battery electric 2026 Jeep® Recon with plenty of power yet quiet on the trails
- Refreshed 2026 Jeep® Grand Cherokee and Grand Wagoneer with more content and lower pricing

February 17, 2026 - The all-new Jeep® Cherokee, Jeep® Recon battery-electric vehicle, Jeep® Grand Cherokee and Grand Wagoneer, will be on display for the first time at the Cleveland Auto Show along with the fan-favorite Camp Jeep, an interactive off-road experience.

Jeep® Brand

The Jeep® brand is celebrating its 85th anniversary in 2026, bringing a wide range of vehicles to the show that gives consumers the freedom of choice to pick what is right for them, including:

- All-new [2026 Jeep Cherokee](#) with a new 1.6-liter turbo-four hybrid engine, an estimated 37 mpg combined and an estimated 500-plus miles to a tank of fuel
- Trail Rated, fully electric [2026 Jeep Recon](#), with a starting MSRP of \$65,000 and more than 170 standard safety and security features, delivers 650 horsepower and 620 lb.-ft. of instant torque, accelerating from 0 to 60 mph in 3.6 seconds with an estimated all-electric range of up to 250 miles (based on trim)
- [2026 Jeep Grand Cherokee](#), with the all-new 2.0-liter Hurricane 4 Turbo engine, delivers 324 horsepower and 332 lb.-ft of torque, an estimated best-in-class driving range of 529 miles on a single tank of fuel and a class-leading 6,200-pound towing figure with this new propulsion system
- [2026 Jeep Grand Wagoneer](#) lineup, starting at an accessible price point of under \$65,000, with the 3.0-liter Hurricane engine

Camp Jeep will return for the 18th year in Cleveland, having provided nearly 365,000 test rides at the Cleveland Auto Show. Auto show attendees will buckle up for a ride-along adventure that showcases the legendary off-road capability of the Jeep product line. Professional drivers take guests through a rugged course filled with steep climbs, sharp descents and challenging terrain – free to auto show attendees.

Ryan Nagode, Vice President - Head of Interior Design at Stellantis will present the Jeep vehicles at 9:00 a.m. on Friday, February 20 in the Jeep display during media day at the Cleveland Auto Show.

Nagode earned a Bachelor of Fine Arts in Industrial Design from the Cleveland Institute of Art. In his current position, Nagode leads the interior design direction for Chrysler, Dodge, Jeep, and Ram Truck, ensuring a cohesive and consistent interior design language representative of each brand and its heritage. Since first joining the company in 2003 as a product designer, Nagode has helped to create numerous high-profile vehicles. Projects have ranged from exteriors and interior designs with Dodge to interiors for Ram and Jeep. Nagode loves bringing attention to the details within the teams' designs and is always looking for creative ways to overcome obstacles.
